## Why should I join Maximum Velocity?

If you're interested in improving your game, Maximum Velocity is the place to be. With county coaches, low player to coach ratios, a well thought out curriculum and a commitment to improve, our course will develop your cricket and help you enjoy it more.

## Is it open to all?

The only qualification we require, other than age, is a desire to learn and improve.

## What will the course cover?

The course covers batting, bowling, catching, throwing and wicketkeeping. We'll also cover the tactical side of the game. The sessions will be quite technical enabling boys and girls to develop their skills.

## Why a "White Ball Academy"?

This is shorthand for all the skills that T20 and ODI cricket has developed—reverse sweeps, wide yorkers, awesome fielding and lots more. We're going to be focussing on playing cricket to the max!

## Where will the sessions be held?

Due to demand on cricket grounds during the summer, we are using three venues. Most of the sessions will be at Beaconsfield CC & Gerrards Cross CC.

## Club, school, so much cricket! Why do I need more?

The junior cricket season is very short, and being the best you can be requires practice and development. We understand the demands on parents, but children get huge satisfaction from developing their skills and successfully executing them.

## Will it be fun?

Our coaches are highly experienced in

making cricket fun. Each session will include some game-based learning which children appreciate and the drills are run in a high-tempo manner making them enjoyable.

## What do I need to bring?

All the cricket equipment you have, together with a drink, preferably water. Wear your Maximum Velocity shirt.

## Will it help my son or daughter get into county?

Obviously we can't give you any guarantees, but if your child wants to develop then that attitude gives them a head start. Our county coaches can point out areas to improve and give guidance to help the child to meet his or her ambitions.

## Is Maximum Velocity going to run during next winter?

We're already planning our programme for 2018-2019 and will keep you informed once details are confirmed.

## Our coaches

### Nigel Bruce

Highly experienced coach who has worked with Berkshire for the last 9 years. Runs Future Legends and coaches full-time in clubs, schools and works with Bucks Cricket as well.

### Andrew Watson

Has 10 years of experience working for Berkshire Cricket. Specialises in bowling coaching and is Head of PE at Slough's largest primary school.

### Paul Reuby

Full time coach who works for a number of clubs and also for Surrey CCC.

### Jonathan Parker

Played at all age groups for Ulster Cricket, now plays premier league cricket. Experienced Berkshire coach and PE teacher at a local grammar.

### Saqlain Basharat

Home grown coach, played for Berkshire since age 12. Now one of our best and most popular young coaches.
